About DN AGRAR Group

[DN AGRAR](#) is the largest dairy milk producer in Europe and one of the leading integrated agrifood company in Romania, listed on the Bucharest Stock Exchange since 2022.

The Group operates an integrated business model focused on milk production, crop cultivation, organic composting and green energy, supporting a sustainable, circular agriculture.

With five large-scale farms and a livestock base exceeding 16,000 heads, it delivers approximately 70 million liters of milk per year, with the goal to double the production to 150-200 million liters annually by 2030.

DN AGRAR Group manages more than 10,000 hectares of farmland and two compost facilities with a capacity of 14,000 tons of organic fertilizer per year, aiming to increase this to 40,000 tons by 2030.

The Group has tripled its business in just three years since going public and now targets a doubling of EBITDA by 2030, alongside the ambition to produce net-zero milk.

To support its growth as a regional leader in premium dairy and food production, [DN AGRAR](#) Group's 2030 strategy combines the doubling of milk production capacity with expansion into complementary business segments.

These include vertical wheatgrass farms, expected to supply 25% of the current feed input, biomethane production in partnership, industrial greenhouses, and expanded composting infrastructure. Together, these initiatives are designed to enhance operational performance and efficiency, being also enables for the development of industrial clusters and projects for increasing milk value.

Founded as a family business in 2008 by Jan Gijsbertus de Boer, [DN AGRAR Group](#) operates in the heart of Transylvania, with activities spanning in tree counties - Alba, Sibiu, and Hunedoara. Listed on the AeRO market of the Bucharest Stock Exchange since February 2022, the company is included in the BETAeRO local index, as well as in the international indices MSCI Frontier IMI and MSCI Romania IMI (Small Cap category).
